In addition, User hereby forever releases and discharges the Indemnified Parties from and against, for and in respect of, any liability arising out of, based upon, or in connection with any actions taken or omitted by Counsel hereunder, and agrees not to assert or bring any claim, action or proceeding or otherwise seek any recovery against any Indemnified Party with respect thereto.

(c) User agrees that TFS shall be entitled to rely on any action taken by User's Trustee pursuant to this Section (each, a "Section 7 Authorized Action"), and that each Section 7 Authorized Action shall be binding on User as fully as if User had taken such Section 7 Authorized Action. User agrees to pay, and to indemnify and hold harmless, the Indemnified Parties from and against any and all claims, liabilities, losses, damages, obligations, penalties, judgments, awards, disbursements, costs and expenses (including reasonable attorneys' fees and reasonable disbursements incurred in investigating, preparing, pursuing or defending any action, suit, proceeding or investigation, or in giving testimony or furnishing documents in response to a subpoena or otherwise), which any of them may suffer, sustain, or become subject to, as the result of, based upon, or in connection with any claim that a Section 7 Authorized Action is not binding on, or enforceable against, User. Communications shall be deemed to have been received by User upon the sooner of the following: (i) if provided electronically, when User receives such Communication or twenty-four (24) hours after the time it is sent to User at the email address, text number, or other electronic address set forth in User's TFS Account, whichever is earlier, (ii) if posted to the Website, when User accesses the Website following such posting or twenty-four (24) hours after it is posted, whichever is earlier, or (iii) if sent in paper format, when User receives such document or five (5) days after it is sent to User at the address set forth in User's TFS Account, whichever is earlier. User may print a copy of any Communication and retain it for User's records. User's consent to receive Communications electronically or via Website posting is valid unless and until User revokes such consent by notifying TFS thereof by phone at 888-729-2413 (888-PAY-CH13) or by email at support@tfsbillpay.com. If User revokes such consent to receive Communications electronically or by Website posting, TFS may terminate User's right to use the Services.

(b) User represents and warrants to TFS that the information provided by User in User's TFS Account, including the email address, text number, mailing address, and the like (collectively, the "User Contact Information"), is true, complete, and correct in all respects and, with respect to numbers and addresses for electronic Communications, such numbers and addresses are working and functional. TFS will not be liable for any undelivered electronic Communication sent to the address or number identified in the User Contact Information or any costs User incurs for maintaining the means of receiving electronic Communications, including, without limitation, the cost for internet access, text messaging services (including text message fees), or an e-mail account. User shall notify TFS forthwith if any of the User Contact Information is changed, or if any of the means of receiving electronic Communications included in the User Contact Information is cancelled or no longer functional. If User fails to do so, or if TFS has reason to believe that either have occurred, then TFS may take such steps as it deems appropriate including, without limitation, (i) removing or deactivating the non-functional electronic number or address from User's TFS Account; (ii) substituting a secondary electronic number or address as the new primary electronic number or address associated with User's TFS Account; (iii) altering User's user preferences (as set forth in User's TFS Account) regarding electronic Communications; or (iv) attempting to reach User by non-electronic means, including by phone, facsimile or postal mail (though TFS shall not be obligated to make any such attempt). TFS reserves the right to take measures to ensure the integrity of its contact directory, and User shall reasonably cooperate if such measures are taken.

(c) With respect to each Withdrawal, User shall communicate to TFS the applicable Withdrawal Date via the facilities of User's TFS Account. Notwithstanding the foregoing, User may utilize TFS's Interactive Voice Response (IVR) system to communicate the applicable Withdrawal Date, provided:

(i) The applicable Withdrawal Date (x) is not the Business Day on which User utilizes the IVR system to communicate the Withdrawal Date (the "IVR System Communication Date"), and (y) is within thirty (30) days from the IVR System Communication Date (for purposes of the foregoing, calls received after 9:00 PM ET or on a day other than a Business Day are considered received the next Business Day); and

(ii) If User resubmits a previously failed payment the only choice is the Business Day next following the date of resubmission.

(d) To revoke or cancel any applicable Withdrawal Date communicated via the IVR system, User must call 888-PAY-CH13 before 12:00 PM ET on the Business Day before the applicable Withdrawal Date. User must press “X” to speak to a customer service representative who may then cancel the applicable Withdrawal Date. The Withdrawal scheduled using the IVR option will be listed as “TFS Billpay *888-7292413” on User’s Bank Account statement. User will not receive a separate statement from TFS.

(e) ALL QUESTIONS ABOUT A WITHDRAWAL SCHEDULED BY UTILIZING THE IVR SYSTEM SHOULD BE DIRECTED TO TFS, AND NOT TO THE FINANCIAL INSTITUTION WHERE USER HAS USER’S BANK ACCOUNT. TFS is responsible for the IVR system service and for resolving any errors in Withdrawals made by utilizing the same. In case of errors or questions about a Withdrawal made in connection with an applicable Withdrawal Date scheduled via the IVR system, User must call 888 PAY CH13 or write to TFS at the address provided below. User should contact TFS as soon as User can if User thinks a Withdrawal made in connection with an applicable Withdrawal Date scheduled via the IVR system is wrong, or if User needs more information about a Withdrawal listed on User’s Bank Account that was made in connection with an applicable Withdrawal Date scheduled via the IVR system. Fees for utilization of the IVR system are the same as charged for online payments (see Section 5).

(f) TFS may use automated telephone dialing, text messaging systems and email to provide messages to User about User’s TFS Account. The automated recorded telephone messages will be played when the telephone is answered, whether answered by User or another party. These messages also may be recorded by User’s answering machine or voicemail. User hereby grants TFS permission to call or send a text message to any telephone number which User has given TFS and to play pre-recorded messages or send text messages with information about this Agreement or User’s account over the phone. User agrees that TFS will not be liable for any such calls or electronic communications, even if the information is communicated to an unintended recipient. User understands that standard rates apply to such calls or electronic communications and User agrees to be responsible and any and all charges from the company that provides User with telecommunications, wireless and/or Internet services. User agrees that TFS has no liability for such charges. User agrees to notify TFS immediately if there is a change to the telephone number or if User is no longer the subscriber or customary user of a telephone number or email address User has previously provided to TFS.

9. Service Fees. TFS may charge, and User authorizes TFS to withdraw from the FBO Account, User’s Bank Account, or User’s Debit Card, the applicable service fees if any Funds provided to or obtained by TFS from, or on behalf of, User are required to be returned or are insufficient as a result of, without limitation, third party fees, insufficient funds in User’s Bank Account, closure of User’s Bank Account, or if User’s Bank Account information provided by User to TFS is incorrect, incomplete or changes.

10. FBO Account. While the Funds are in the FBO Account, the applicable Financial Institution may combine such Funds with the funds of other Debtors. User agrees that User will not receive interest or other earnings on the Funds. In consideration for use of the Services, User irrevocably transfers and assigns to TFS any ownership right that User may have in any interest or other earnings that may accrue or be paid on the Funds in the FBO Account. This assignment applies only to such interest and other earnings, and nothing in this Agreement grants TFS any ownership right to the principal of the Funds held in the FBO Account.

11. Passwords. User may not reveal User’s TFS Account password(s) to anyone (other than Counsel), nor may User use anyone else’s TFS account password. TFS is not responsible for losses incurred by User as the result of User’s violation of this Section or other misuse of User’s TFS Account password.

12. Hacking. If User uses, or attempts to use, User’s TFS Account for any purpose other than managing User’s TFS Account, including, but not limited to, tampering, hacking, modifying or otherwise corrupting the security or functionality of the Service, then User’s TFS Account may be terminated and User will be subject to damages and other penalties, including, without limitation, criminal prosecution where available.

13. Indemnification. User agrees to indemnify and hold harmless the Indemnified Parties from and against, for and in respect of, any and all claims, liabilities, losses, damages, obligations, penalties, judgments, awards, disbursements, costs and expenses (including reasonable attorneys’ fees and reasonable disbursements incurred in investigating, preparing, pursuing or defending any action, suit, proceeding or investigation, or in giving testimony or furnishing

documents in response to a subpoena or otherwise) which any of them may suffer, sustain, or become subject to, directly or indirectly, as the result of, based upon, or in connection with User's use of the Services or any breach of this Agreement by User.

14. Right of Recipient to Refuse Payment. User agrees and acknowledges that neither the Trustee nor User's Counsel is required to accept any Chapter 13 Payment or Counsel Fee Payment, as the case may be, even if the Trustee or User's Counsel, as the case may be, is already registered with TFS. The Trustee or User's Counsel, as the case may be, may return, deny or refuse to accept any Chapter 13 Payment or Counsel Fee Payment, as the case may be. Neither TFS nor any Financial Institution will be liable for any damages or losses resulting from or in connection with the return, denial or refusal to accept any Chapter 13 Payment or Counsel Fee Payment, as the case may be. Any Chapter 13 Payments or Counsel Fee Payments, as the case may be, that are returned, denied, unaccepted, or unclaimed by the Trustee or Counsel, as applicable, will be returned to User in a timeframe that is commercially reasonable. Any fees paid to TFS in connection with a Chapter 13 Payment or Counsel Fee Payment that is returned, denied or refused are not refundable to User.

15. Termination. TFS, in its sole and absolute discretion, may terminate this Agreement, terminate access to the Website, or terminate access to the Services for any reason and at any time by Communication to User and payment to User of any unrestricted Funds held in the FBO Account. User may terminate the Services at any time by clicking on the "cease payment" button on User's TFS Account. Upon such termination, TFS will cancel any pending transfers of Funds scheduled to be made more than three (3) Business Days after such termination, will seek to cancel any pending Funds transfers scheduled to be made prior thereto (but with no assurance that such cancellation shall occur), and will cause all unrestricted Funds in the FBO Account to be returned to User.

16. Unauthorized Transfers. It is the responsibility of User to inform TFS if User believes User's TFS Account login information, including User's TFS Account identification or password, has been lost, stolen or compromised, or if someone has compromised or gained unauthorized access to User's TFS Account, or if there has been an unauthorized transfer. TFS may be reached by phone at 888-729-2413 (888-PAY-CH13), by mail at TFS, 500 North Broadway, Suite 240, Jericho NY 11753, Attention: President, or by e-mail at support@tfsbillpay.com.

17. Hours of Operation. TFS' normal business hours are Monday through Friday, 10:00 AM-6:00 PM Eastern Standard Time, excluding holidays.
